Enaex

Enaex  
A high level of safety and  
efficiency. In line with the  
company's commitment to  
sustainability and  
innovation.  
We are a team of professionals  
dedicated to providing  
the best solutions for our  
clients.

A brighter definition of success is already within reach. We know about making mines more productive through custom blasting solutions and long-term partnerships, but our vision doesn't end there.

We strive to create healthier lifestyles for people in the industry, minimizing risk and uplifting families.

These commitments and aspirations have made us a world leader in low-density ammonium nitrate production and fully integrated rock fragmentation services.
